Today's society is moving toward a greater appreciation of education. The quality of education is also improving. Responsible for this improvement at M.H.S., no doubt, is our administration. Their efficient planning and organizing pave our way to a successful future. Their task is a great responsibility. One which needs competent people, such as they, to do a fine job.

Much credit is also due to Mr. Radtke's secretaries, Mrs. Jolly, Mrs. Ronald Rasmussen, and Marilyn Rakoniewski. This group of people is entitled to many "thanks" for making our education at M.H.S. a privilege.

Serving Students in

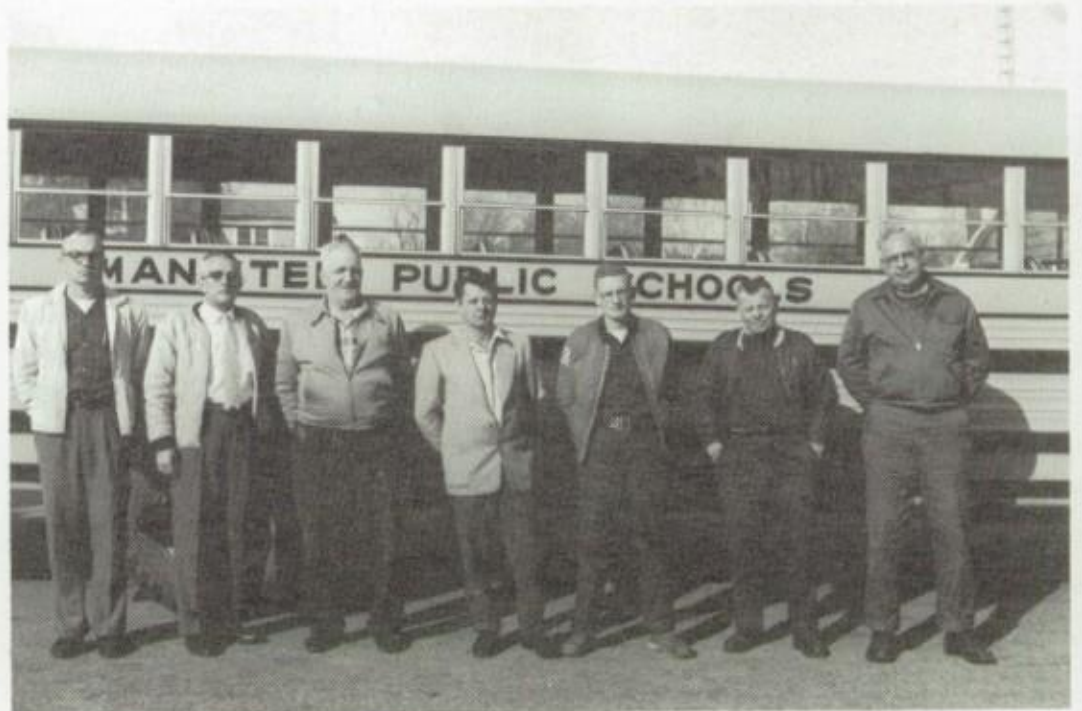

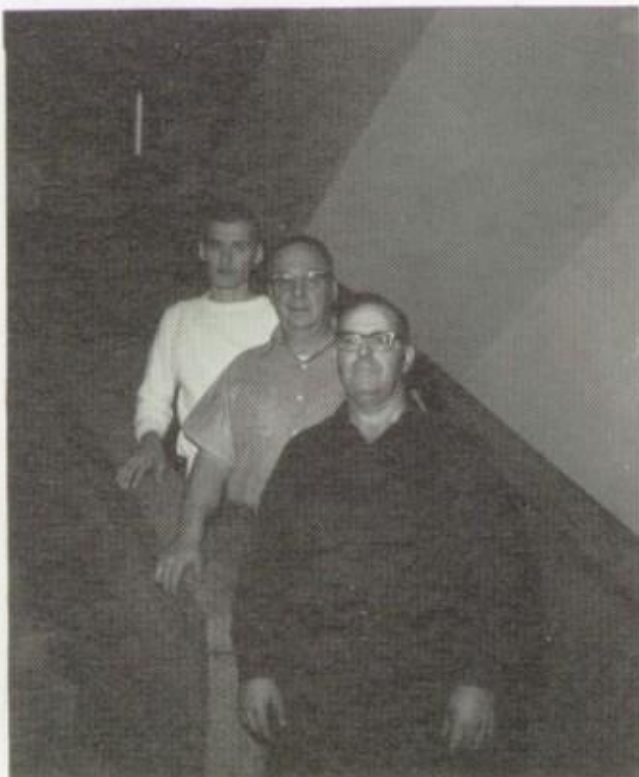

MRS. CALLAN is always happy to lend a helping hand.

MRS. CLARA ACKE COOKS our noon time meals for hungry students.

CUSTODIANS AT M.H.S. are Mr. Monroe, Mr. Langworthy, Mr. Christianson.

BUS DRIVERS left to right are: D. Rhodes, W. Tabaczka, E. Jensen, J. Marcous, K. Manville, B. Tageson, R. Dugas; missing are: S. Benson, Rev. P. Stiles, R. Jacobs.

M.H.S. could not function properly if it were not for the many other competent people who unselfishly give their assistance in serving the needs of students. The maintenance requirements are upheld by the custodians who keep M.H.S. in a "clean sweep." The bus drivers play an important part in getting students to and from school on time. Keeping M.H.S. students in fine physical health constitutes the job of Mrs. Callan, our nurse. Cooking up delicious noon-time meals for students is our cook, Mrs. Clara Acke.

Every Way

COMPLETING HIS FIRST YEAR in the Guidance Office is Mr. Higley.

DOING A FINE JOB as Guidance Director is Mr. Lippert.

SERVING HER FIRST YEAR in the Attendance Office is Mr. Stendel.

Whenever a student at M.H.S. is troubled, he can always find consultation and help through the understanding and experience of the Guidance Office advisors. If ever a time comes when a misguided student seeks help from his individual class advisor; a freshman or sophomore may go to Mr. Higley, a junior may go to Mrs. Jacobsen, and a senior to Mrs. Capper. When their individual advisor is not available, students can consult with Mr. Lippert, our Guidance Director.

Mrs. Stendel in the Attendance Office and Miss Pluter in the Principal's Office combine a hard-working team in the aiding of students at our Alma Mater.

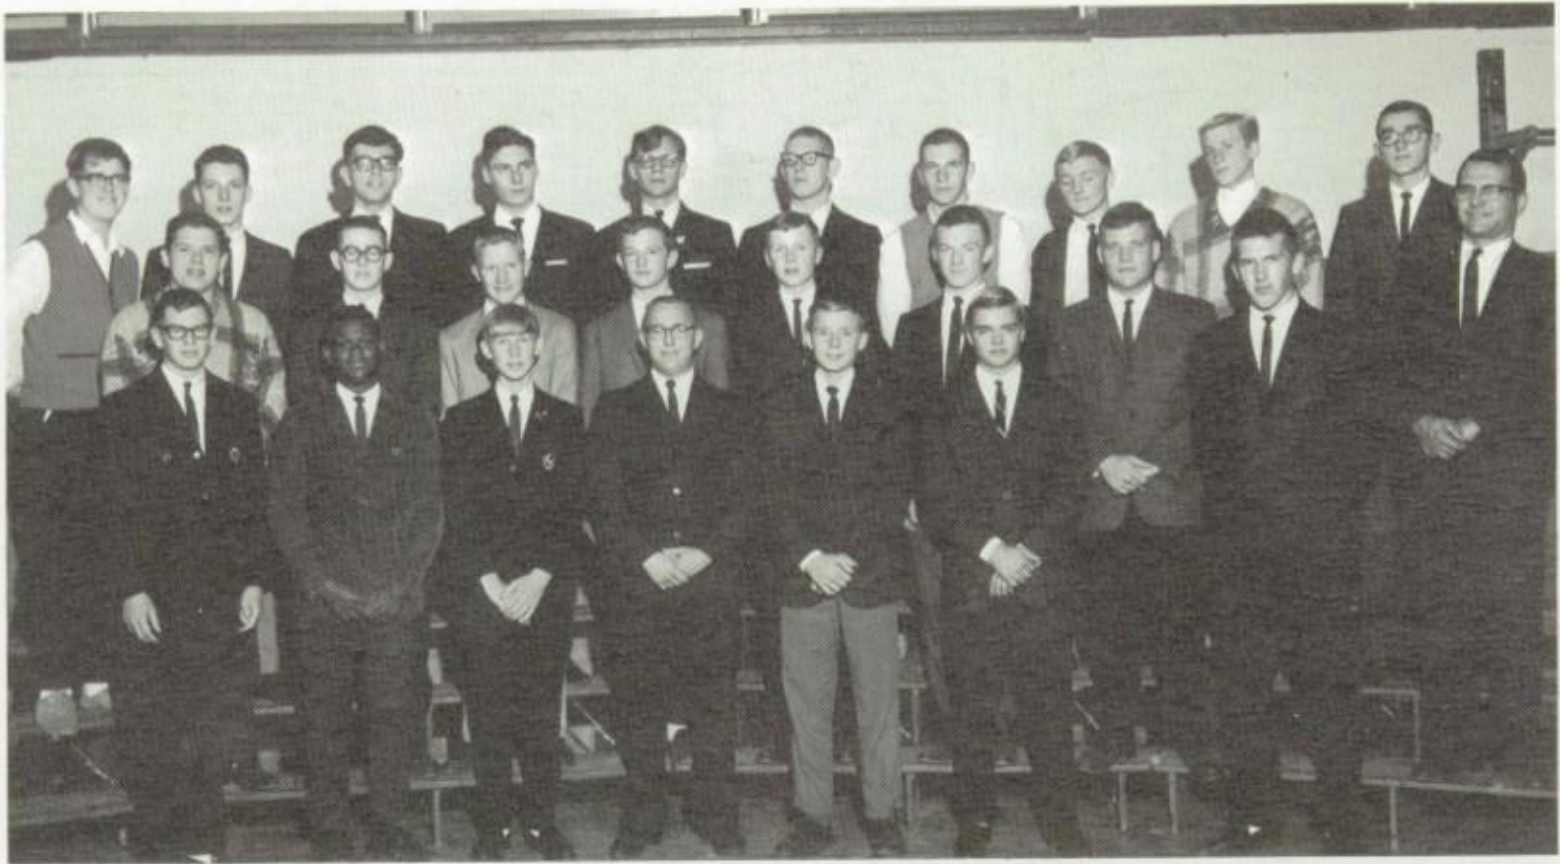

Mr. Shroeder's secretary, Miss Pluter.

Tri-Hi-Y produced a Chippewa Directory, sold candy bars, and held the annual Twirp Week. Hi-Y held car washes, sold Chippewa jewelry, held a clean-up campaign and the weekly dress-up day. Working together, these clubs have established a proud name for themselves in the community.

to the half-time activities.

There is nothing like a "sharp" band to add zest and life to any school event. During the football season, the Marching Band provides not only peppy rhythm, but also colorful pageantry at each game. They participate in District and State contests, bringing great honors to our school. They contribute their talent to the community by performing in parades and local festivals throughout the year. The band performs in different seasonal concerts, and this year is engaged in an exchange concert program with Manistee Catholic Central. The Marching Band was led by majorettes Chris Gunderson, Patti Johnston, Susie Feagins, and Mary Knaffle. The band rallied together to end the year with the production of the annual Band Bounce.

in Glorious Song

Manistee High School's Choir is one of the most talented organizations in the school. Sounds of scales and arpeggios, mingled with laughter, float out the auditorium every day during sixth hour. Their hard work is reflected in the fine performances they give in concerts and the Choir Festival.

Madrigal is a select group of eighteen lively singers from the Choir. They practice diligently for their role in school concerts and various "around the town" appearances.

Prospective members of Choir come up through the ranks of Eight Grade Girls' and Boys' Choruses. Here they try out and train their voices under the direction of Mrs. Caro, who heads the entire vocal department.

THE STUDENT COUNCIL comprising representatives of each advisory utilizes the democratic processes in determining the plans and course of action necessary to organize and carry out student sponsored activities school wide. Each Student Council member represents his class opinion in matters concerning student government. Among the council's activities this year was an exchange assembly program with Manistee Catholic Central. There also was a council exchange with Cadillac High School enabling our leaders to see how other schools function and thus improve our system. Beside these, there also was the annual Homecoming with a big parade, and a dance following the game. This year the Hall Monitor system was modified with a monitor on first floor only. A great deal of credit is due these hard-working members who have done so much for the betterment of our school.

DRAMA CLUB is one of the hardest working clubs at M.H.S. They realize that what goes on in front of the curtain is not the whole story. There are many aspects to consider in presenting a play; such as scenery, costumes, lighting, special effects, etc. Many long hours are spent trying to solve minute problems which are never seen by the audience.

The Drama Club has been extremely busy since school started. They put on a bake sale on October 31 to earn money for club enterprises. On December 5, members could be seen leaving the school at five-thirty in the morning to attend Drama Day at East Lansing. Among other things, they saw the play "The Masterbuilders." For the Christmas Assembly they put on an amusing skit. They hope to put on a production of "The Mouse That Roared" sometime in the Spring.

THE BOOKWORMS perform a valuable service to the students of M.H.S. They help to make our library a more efficient and profitable source of learning. These girls check books and keep track of overdue fines. At the end of the year, they help Mrs. Hough take inventory. By performing these services, they not only are helping the students, but are also adding to their store of knowledge of various subjects.

Our final year - -the time has passed quickly but that time has brought memories that will remain with us forever. We enter the year with a new found vitality, with that eagerness to advance which only youth can provide. Each problem faced, whether or not the answer will prove to be a true one, will be a stepping stone. This is the time to set final goals and think of additional training. There are many roads open to us; we can chose only one.

There is a likeness which can be found in every Senior. But time eventually makes changes in us all. Character influences our outlook, broadens our insight, or even changes our mind. We hope someday to know the world. Until then we persist and stand ready to take our place in a complex society. We've grown up quite a bit . . . the future is foremost in our minds. Whatever we do, we want it to be purposeful. Somehow we'll make our mark.

Farewell

*Out of the halls of Manistee High,
The class of '65' we can't deny.
As Seniors we end the tapestry wove,
Loyalty to our Blue and Gold.*

*Summa Laude is all we can say,
So many thoughts fly to us this day.
They say we were like all the rest;
We came, we conquered, we did our best.*

*As the weave of our tapestry we untwine,
Each thread will bear its own design.
Giving us the pattern we each made,
Leaving us memories that will never fade.*

*Valued friendships we have made,
To whom we gave—and were repaid,
Together sad—together gay,
The tested friendships that did not fray.*

*From '65' through '61'
A happy family all in one.
School, vacations, our crazy fun, our fears;
The things we shared in these four years.*

*We have to read between the lines
To times unwritten and yet sublime;
For these times left memories never to fade,
And this, a part of our life we have made.*

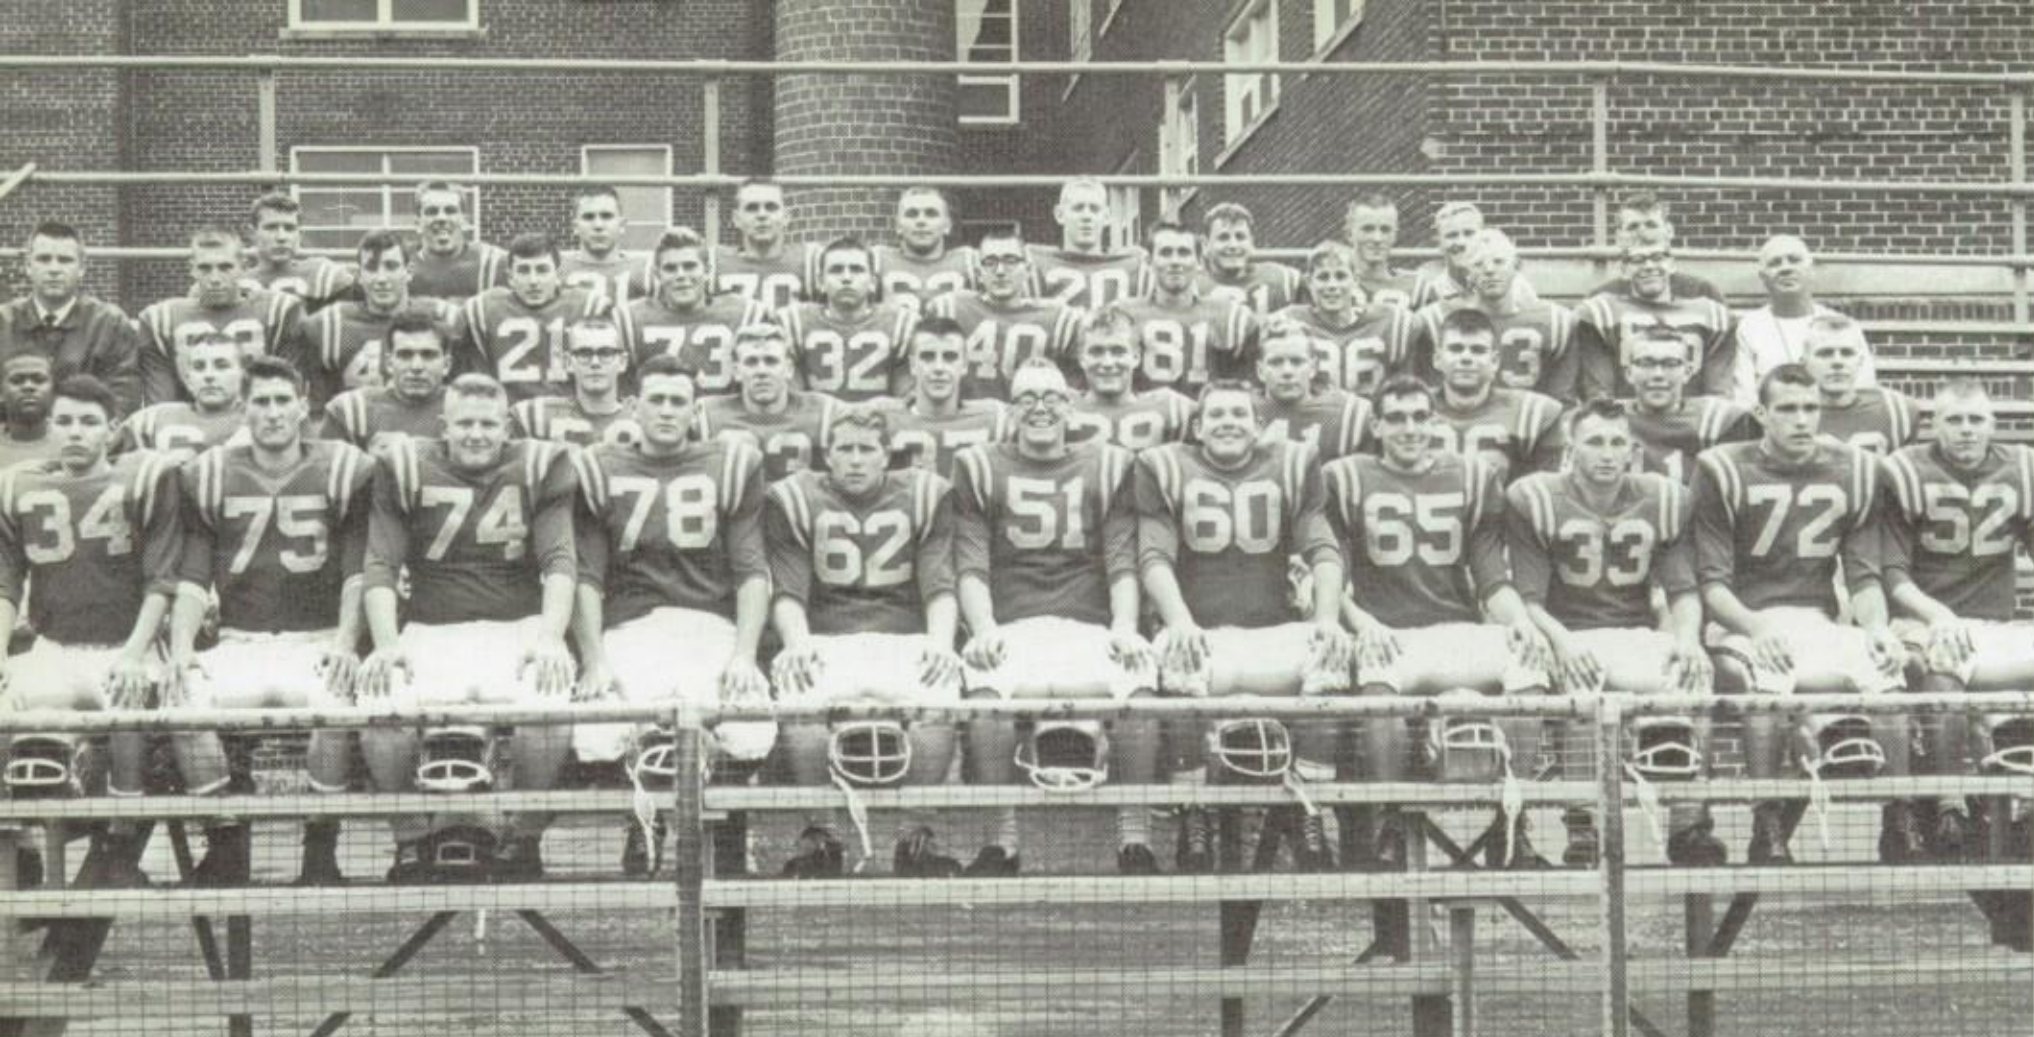

*Tomorrow awaits us; now we must leave.
In saying farewell let us not you deceive,
For another great adventure is yet to pursue—
The unknown future made by you.*

Rifle Club Develops Capable Marksmen

THE RIFLE CLUB, under the guidance of Mr. Kenneth Jilbert, promotes safety in the use of firearms and shooting accuracy. The club encourages the membership of the interested and inexperienced student who wishes to gain an extensive knowledge of guns.

To encourage a large participating group and to increase a member's practice time, every Thursday one of two alternate groups holds its rifle practice session.

At a shooting session, a spectator sees the diligent efforts of each member to shoot a perfect 50 score!

Skiing is quickly becoming one of the favorite winter sports of the students of MHS. With excellent skiing facilities and superb snowy weather, members of the Ski Club and Ski Team wait anxiously for weekends to test the slopes of the Big M., Caberfae, and other areas nearby.

Under advisor Mr. John Brastrom, MHS Ski Team is preparing for competition on the state level. Calisthenics and after school practice at the Big M develop skill, balance, and stamina for important meets.

For excitement, sheer spills and thrills, try skiing.

The Juniors--approximately 165 of them--found themselves entering one of the last roads on their journey through M.H.S. The building of an entry for the Homecoming parade was first on their list of many class projects. Their goal of first prize was not attained, however, and instead they had to settle for third. Class elections were held after vigorous campaigns for various students. Results were, Gary Gielczyk, president, Duane Karjala, vice-president, Mary Knaffle, secretary, and Joyce Rozmarek, treasurer. Many new experiences added zest to the year--greater participation in high school sports, offices held by various Juniors in the clubs and organization of M.H.S., plans on the 1965 J-Hop, and the thought of graduation, now only one year away.

FULL-FLEDGED MEMBERS of M.H.S. at last.

Happy, carefree Sophomores (about 165 of them) sped through the halls of M.H.S., confident they knew where and what they were doing. First class project of the year was the building of their Homecoming float. No prize was won, but plenty of work was put into it. Posters a'plenty decorated the halls the week of Sophomore elections. Results were: Steve O'Rorke, president, Faye Backie, vice-president, Marsha Krajkiewez, secretary, and Gerald Baker, treasurer. The long-awaited class rings which were chosen in September, finally arrived in December. Now they truly became a part of Manistee High School.

QUICK--TAKE THE PICTURE before we fall!

M.H.S. appeared to be a huge building with endless halls and hundreds of people to the 160 eighth-graders who appeared at its doors in September. Class elections were held later than usual to give the students a chance to know their classmates better. After the final ballots were counted, Gene Thomas was their first president, Vicky Carden, vice-president, Rosalie Witucki, secretary, and Frances Olen, treasurer. Students elected to serve terms on the Student Council were Bill Glocheski, Connie Smith, Linda Preston, and Doug Nunn. Cheering the eighth grade basketball team on to victory were Judy Simons, Rosalie Witucki, Nanette Brink, Linda Preston, and Vicky Carden.

John,
Best of luck always to a **Autograph**
real nice Junior. Remember
all the fun we had in first four.
I don't think you could forget.
I'll see you next year when
we come back and make the
class of '66 the best one ever.
Have fun and be good.

The yearbook staff would like to take this opportunity to express their thanks to the many people who have made this yearbook possible. It is fitting that we first express our appreciation to Mr. Brastrom for his guidance, patience and time. His tireless efforts and encouragement were an indispensable factor in editing our yearbook.

The publication of this yearbook would not have been possible if it weren't for the understanding teachers who were lenient enough to excuse students to work on the yearbook when a deadline was approaching or pictures were being taken.

All in all, the completion of the yearbook was the result of the joint efforts of the faculty and senior students.

John,

Lots of luck to one of my cousin's bands.
I'll always remember the cute way you laugh
at me when Mr. Bussell makes me
straighten books or copy the National
Anthem. Maybe someday he will let you
do it for me. By request of course. Don't
forget to go easy on my cousin - after all
she is going steady. (yuk) Remember 4th
& 6th hours & Mr. Brastorn. Too bad you
had to get a D in here - I got a B! (yuk)
Be good and I'll see you around.
